

# HILLCREST SCHOOL COUNCIL

9th March 2016

What we've been talking about...

- New Menu's

- Look at the new lunch menu and decide with tutor groups what they would not want to appear on the menu.
- **All council members were given the summer term lunch menu to take to their tutor groups and complete, thank you to classes that have completed this. Any more contributions to the menu will be warmly welcome.**

- Sport Relief Mile

- We are hosting the sport relief mile in school Friday 18<sup>th</sup> March 2016. We are looking at how we will run this event. Any pupil ideas e.g. t-shirts, fancy dress. **School council members to talk with their tutor groups and generate any ideas.**
- **We have had some fabulous ideas put forward to council members on how to run the sport relief mile, these include;**

- 1) Dribble a football around the mile track
- 2) Host a 50p football match after the run
- 3) A sport relief cake sale and/or raffle
- 4) Balance a beanbag on your head (for walking participants)
- 5) Dress up for a contribution
- 6) Wear red colour clothing

**If there are any further ideas that your class may like to add to the list again these are warmly welcome!**
