

HILLCREST SCHOOL COUNCIL

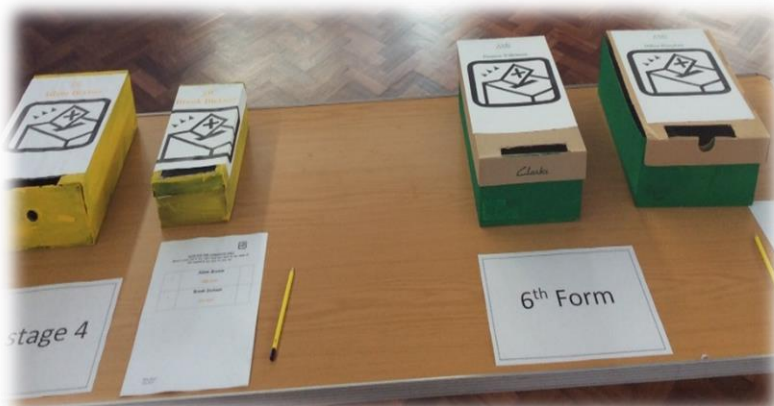

Hillcrest hold an election at the beginning of each academic year for students who are interested in becoming a member of the school council. A voting day is held to allow pupils to put their view forward on who they would like to be elected to be the council members or class representative.

Our last vote took place in September 2017 and it was held in the school hall, all pupils voted for a key stage member within their own key stage. Five members were elected from across Key Stage 3, Key Stage 4 and 6th form. Students who had the 2nd highest votes were given the position of class representatives which ensured all classes have a member they can go to in their class. All students elected were announced in assembly.

These photos show the election process...

These are the Key stage 3 election boxes that students made themselves. All Key Stage 3 students were given slips to vote in the election boxes.

There are less KS4 classes therefore there were 2 election boxes. Both candidates were presented, this was the same for 6th form two candidates were represented for the School Council Member
