Hillcrest School is committed to offering a strong ,relevant Careers pathway for all students from Year 7-13.

Ann Clarke

Our Independent Careers Advisor will work with all students in groups talking about all the different options that are available.

Enterprise Challenges

Students will have the chance to take part in challenges with other schools in the North East to pit their skills and wits against.

Business Opportunities.

Students will have the chance to work alongside people from business that will come into school and spend time working alongside our student.

Why We Do This

To prepare young people for opportunities, responsibilities and experiences later in life.

A strong careers programme allows young people to make well-informed decisions about education, training and apprentices. .

S.T.E.M

Science, Technology, Engineering and Maths.

We will have sessions with Forensic Minds and Nustem (Northumbria University) to provide a fascinating approach to different ways of learning.
