Mrs A Mead, Head Teacher

25th September 2015

Dear Parents and Carers,

As of Monday 28th September 2015 we will be banning the following items in school.

Banned items:

- All types of Energy Drinks.
- All types of Isotonic Drinks.
- All types of Squash.
- All types of Fizzy Drinks (Cans and Bottles)
- All types of Flavoured water (Still and Fizzy)

If students have these items in school they will be confiscated and not returned to the students.

If students are seen consuming any of the banned drinks before school by staff or a member of the public you will need to come and collect your child as they will not be allowed in school that day.

We have not taken this decision lightly but we are responding to research from the National Health Service into the damage these products may be doing to your children. We have attached a copy of this research to this letter.

Many thanks for your support and co-operation in this matter.

Andrea Mead
Head Teacher
