		Shape						

<b>PE</b>	In PE we will continue to develop our sending and receiving skills through volleyball, badminton and a rang of interactive games. We will also be concentrating on the students' understanding of space.
<b>ICT</b>	<p>Looking at Internet safety To explore the choices learners have to make online with a focus on the meaning of consent and how we give and receive it online.</p> <p>We are looking at Powerpoint software and why we use presentation, we will be learning to Input and combine text and other information within presentation slides and use presentation software tools to structure, edit and format slides to finally prepare slides for presentation to meet need</p>

The class continue to do PE every Tuesday and Thursday so please ensure they have kit. If, for some reason, a child does not have kit they will be expected to wear spares.

Should you wish to help your child consolidate what we are learning about in class please access the following website:

Literacy (including digital books) and Maths Activity games are set on Active Learn- this is tablet and PC friendly, students have their passwords in school.

<https://www.activelearnprimary.co.uk>

Occasionally there will be a home project or challenge (including the ongoing reading challenges) to earn additional merits, please assist where possible but do not complete work for them.
