

HILLCREST

SCHOOL COUNCIL

9th November 2017

KS4 & 6th Form Council Members and Class representatives met to discuss improvement to the student's toilets particularly the boy's toilets which are in need of repair. They liaised with our school Caretaker who consider student wishes when developing the plan.

KS4 & 6th Form students discussed the following...

Issues

- Some locks on cubicle doors need replacing
- No soap dispenser
- Not enough individual cubicles
- Shared urinal is not private enough
- The smell

Solutions & Ideas

- Replace the urinal with individual urinal stations
- More individual cubicles built
- Soap dispensers fitted to wall
- Paint the walls
- New tiles, flooring and decorated
- Timed air fresheners fitted
- Each class to have their own key cut to the toilets
